There has been no confirmation to the effect that substantial shipments of troops, jeeps and light equipment, suitable for guerrilla warfare, left Stettin last month for Albania.

Comment: There is, however, little means of ascertaining whether ships whose ports of embarkation are listed as Gdynia or any other Baltic port, and carrying general cargo, have not actually picked up miscellaneous war materiel at Stettin en route, without this being reflected on the ship's manifests. The ship's papers may also list any Mediterranean port of destination, and unofficially unload cargo in Albania.
